

REPORT

Workforce & HR Metrics Report — Q1 FY2026-27

Period: Apr–Jun 2026 | Prepared By: HR Analytics & People Insights | Classification: Internal — Management Use

1. Executive Summary

Total permanent headcount stood at 6,140 as of 30-Jun-2026, up 3.2% from the previous quarter, driven by planned hiring for the Foods segment expansion. Voluntary attrition improved to 11.2% annualised, down from 13.5% in the prior quarter, aided by targeted retention actions in Sales and Supply Chain.

2. Headcount by Function

Function	Headcount	% of Total	QoQ Change
Sales & Distribution	2,480	40%	+2.8%
Manufacturing & Supply Chain	2,050	33%	+4.1%
Corporate (Finance, Legal, HR, Procurement)	780	13%	+1.0%
Marketing & Trade Marketing	480	8%	+3.5%
R&D / Quality	350	6%	+2.2%

3. Attrition & Retention

Metric	Q1 FY26-27	Q1 FY25-26
Voluntary Attrition (Annualised)	11.2%	13.5%
Regretted Attrition (Annualised)	4.8%	5.6%
Average Tenure at Exit	3.4 years	3.1 years

4. Talent Acquisition

- 412 new hires onboarded in the quarter against a plan of 450, primarily in Sales and Manufacturing.
- Average time-to-fill for open positions improved to 32 days from 38 days in the prior quarter.
- Campus hiring pipeline for FY2026-27 stands at 180 offers rolled out across management trainee and engineering trainee programmes.

5. Diversity & Learning

- Women in workforce stood at 22.4%, up from 20.8% a year ago, with women in management roles at 18.1%.
- Average training hours per employee for the quarter was 9.2 hours, tracking toward the annual target of 40 hours.
- Leadership development programme cohort 4 commenced with 45 high-potential managers across functions.

6. Outlook

HR will continue to prioritise attrition reduction in frontline Sales roles through revised career-pathing initiatives, expand campus hiring for the Foods segment, and roll out the refreshed performance management cycle in Q2 FY2026-27.
