## Contracts & Approvals

**Q: Who has the authority to sign a contract on behalf of SCPL?**

A: Signing authority follows the Delegation of Authority (DOA) matrix maintained by the Company Secretary's office. As a general rule, contracts above Rs. 5 crore in value require Director-level signature with Legal counter-signature; all contracts, regardless of value, require Legal review before execution.

**Q: Do I need Legal review for a simple purchase order?**

A: Standard POs issued against a pre-approved, Legal-vetted supplier framework agreement do not require fresh review. Any deviation from standard terms, or a new supplier relationship above Rs. 25 lakh, must be routed to Legal.

**Q: How long does standard contract review take?**

A: Standard commercial contracts are typically turned around within 5 working days; complex agreements (JV, licensing, M&A-related) may take 10–15 working days depending on complexity.

## Whistleblower & Ethics

**Q: How do I report a suspected compliance violation?**

A: Concerns can be raised confidentially through the Sanchaya EthicsLine (web/phone/email) or directly to the Compliance team. Anonymous reporting is supported.

**Q: Will I face retaliation for raising a genuine concern?**

A: No. SCPL's Whistleblower Policy explicitly prohibits retaliation against anyone raising a concern in good faith, and any such retaliation is itself treated as a serious disciplinary matter.

## Data Privacy & IP

**Q: What should I do if I suspect a data breach involving customer information?**

A: Report immediately to the Data Protection Officer (dpo@scpl-fmcg.com) and your manager within 24 hours; do not attempt to independently investigate or communicate externally about the incident.

**Q: Who owns intellectual property created by an employee during employment?**

A: Under the standard employment contract, all IP (trademarks, formulations, packaging designs, software) created within the scope of employment vests with SCPL.

## Related Party & Gifts

**Q: What counts as a related-party transaction?**

A: Any transaction between SCPL and a director, key managerial personnel, their relatives, or an entity in which they hold a substantial interest, as defined under the Companies Act, 2013 and SEBI LODR.

**Q: Can I accept a festival gift hamper from a distributor?**

A: Gifts up to Rs. 2,500 in aggregate value per year, per counterparty, may be accepted without prior approval but should still be disclosed; higher-value gifts require Compliance approval or must be politely declined.
